

& the existence & enforcement of law in given cases. I do not understand him at this point. That is for you to search into. "Capital game", I think you may well say. The public will probably see & know that all wisdom does not dwell with your two illustrious opponents, — opponents by the way, which it is an honor to meet in such a field. To vanquish men of less distinction might not be a victory.

So will ~~think~~ ^{think} you will lose nothing by waiting, & I think the cause will not, because it ^{will} be kept longer before the people.

We shall be out with our new type next week or week after. Thank you for the good word you have circulated about our paper, — will try to deserve it. The Baltimore Patriot was just sent for an exchange & we comply.

I do not see how Beecher can come in the way of your "singer" to stave on "blood revenge", — hope he will not. He seems to be driving another way.

You need not be particular about the length of your letters; take two columns a week if you choose.

We are all well, & pleasantly situated — for how long we do not even guess. Love to you both.

Affec^t yours
